Another round of wet weather rolled through the Greater Kansas City area Saturday, once again forcing the cancellation of racing at Warrensburg's Central Missouri Speedway for the third time this season. The staff at CMS now focuses their attention on next Saturday, May 22 for "Social Networking Night, Bad Boy Mower's Night, and Armed Forces Appreciation Night" at the speedway. Look for a special coupon on FaceBook and through the CMS email group to be redeemed next Saturday evening in appreciation of following us on FaceBook and for signing up for our email newsgroup.

In just a couple weeks, the first special event of the year takes place over the Memorial Day weekend on May 28 and 29. Street Stocks will headline on May 28 with a \$1,500-to-win event, also on Friday night is the inaugural appearance of the Ozark Mountain Midget Series and night one qualifying for modifieds. On Saturday, May 29, the "Mighty Modifieds" take center stage with a \$3,000-to-win special event, along with ULMA Late Models and B-Modifieds. Advanced tickets for the Memorial Special event tickets are on sale at the speedway or thru www.centralmissourispeedway.net. Advanced entry forms are readily available under the "Special Events" headline on the website. Drivers, pre-enter and save yourselves some money, fans, get your tickets in advance and you can save too!

As always, our pit gates will open next weekend at 4:30, spectator gates at 5, hot laps start at 7, racing gets underway at 7:30. For more information call the Track Report line at (660) 747-2166 or visit the track's official Web site at www.centralmissourispeedway.net. Results, standings, the schedule of events, and High Fly-N Photos are all available on the Web site.
