(Warrensburg) The day started with sunshine and some light winds, but turned around completely when gusty winds and heavy rains invaded Central Missouri Speedway on Saturday afternoon. The races were canceled due to the wet and soggy conditions at the fastest high-banked clay oval in the Midwest.

Join us again next weekend for the Missouri Coalition for Roadway Safety (MoDOT) Father's Day Weekend at the Races, featuring the Modifieds, ULMA Late Models, Street Stocks and B-Modifieds.

Modified and ULMA Late Model drivers are reminded time is winding down to prepare for the 4th of July weekend Tom Wilson BBQ Bowl, \$5,000-to-win Modified and \$1,500 to win Late Model special feature. Entry details will be released this week for the Modified and ULMA Late Model specials.
