(Warrensburg) Unfortunately, the skies opened up with torrential rain and high winds causing yet another rain-out at the fastest high banked clay oval in the Midwest last night. We will try again next week for KMMO Radio Race Night at the speedway. All divisions will be on hand as the 'Mighty' Modifieds, ULMA Late Models, Street Stocks, and B-Modifieds will all take to the track as the championship season continues.

Join us to see who will make their first or repeat visit into the Waterloo Storage Products Victory Lane. For additional information about Central Missouri Speedway call the Track Report line at (660) 747-2166 or visit the track's official Web site at [www.centralmissourispeedway.net](http://www.centralmissourispeedway.net). Results, standings, the schedule of events with the latest updated track information, and John Lee, High Fly'N Photos are all available on the track Web site. You can also join us on Facebook or Twitter for weekly CMS track news.
